## Berkeley Punt Holds Off San Leandro, 12-7

Thursday, 25 October 2012 15:27

---

The San Leandro High football team took possession with 1:30 on the clock, trailing 12-7, with a chance for a last-second victory at Berkeley High on Friday night.

The Pirates had just held Berkeley deep in Yellowjackets territory and dropped back to receive the punt on fourth down. They would have caught the punt around mid-field in a normal high school game, but Berkeley kicker Samuel Boyden isn't your average punter.

Boyden's punt soared into the night and left the Pirates with possession back on their own 25-yard line. The Pirates got close to midfield but ran out of time in a 12-7 loss to Berkeley in a West Alameda County Conference (WACC) game.
