Police responded to calls of an assault in the residential neighborhood around 2:20 a.m. and found man with a life-threatening wound and administered first aid on the scene until the ambulance arrived, according to Lt. Luis Torres of the San Leandro police.

The victim was taken to a local hospital in critical condition.

No suspect or motive is known at this time, said Torres.

Anyone with information about the crime is asked to call Det. Ted Henderson at 577-3237.
