

St. Felicitas Goes on a Fun Field Trip

Thursday, 18 October 2012 16:34

The eighth graders of St. Felicitas school recently took a field trip and visited the Cathedral of Christ the Light at Lake Merritt in Oakland.

The San Leandro students got to meet up with the other eighth graders from all over the diocese and spent a fun day getting to know each other. The day's events kicked off with a series of activities and then the students enjoyed a great talk about personal identity and faith.

The kids all attended a Mass and then finished with a tour of all the intricacies of the Cathedral. It was a great day filled with great faith and community, according to St. Felicitas parent and helper Susan Dionisio.

St. Felicitas Goes on a Fun Field Trip
